SWIMMING POOL REGULATIONS

Pursuant to Amherstburg By-law 2005-21

SECTION 1

No person shall maintain a privately owned outdoor swimming pool unless such pool is effectively fenced and/or enclosed in accordance with the by-law

Please review the following to ensure that your application and drawing has addressed all requirements of the above noted by-law and the Zoning By-Law 1999-52;

1.1 GENERAL REQUIREMENTS FOR ENCLOSURES;

- (1) Pool; minimum set back from side & rear lot line; 1.5 meters (5'-0")
- (2) Pool equipment, pumps; set back 1 meters (3' 3 1/2") from side & rear lot line
- (3) Pool equipment shall have a clearance of 1 meter (3'-3 1/2") to edge of above ground pool
- (4) Fence enclosure shall be not less than 1.22 meters (48")
- (5) Fence shall be non-climbable
- (6) Gates; self-closing, self-latching & lockable

1.2 ABOVE GROUND SWIMMING POOLS

- (1) A separate enclosure is not required if pool sides are minimum 1.2 meters (48") if constructed to be non-climbable and has removable access ladder.
- (2) Decks to meet requirements of Ontario Building Code with a guard at least 914 mm high (36") around deck and access to deck has a barrier at least 1.2 meters (48") high, please submit applicable drawings at time of this application.
